ICWP
INTERSTATE COUNCIL ON WATER POLICY

60th Annual Meeting
Mobile Renaissance Riverview Plaza

On behalf of the ICWP board of directors, I am pleased to invite you to Mobile, Alabama for our 60th Annual Meeting, October 8-10, 2019. Join fellow water resources managers, federal partners, and consultants in interactive discussions on planning, data, and national policy and in networking events; weigh in on decisions regarding ICWP's future direction, policy positions, and technical training opportunities during our annual members business meeting; and explore some of Alabama's natural beauty on a tour of the Mobile-Tensaw delta, home to some of the most diverse wildlife and habitat including streams, swamps, bayous, lakes, and forests.

The Mobile Renaissance Riverview Plaza Hotel in downtown Mobile will host our event. Many large businesses are headquartered in downtown Mobile right next to quaint, locally-owned art galleries, shops, restaurants and bars. The city of Mobile is also one of the oldest cities in the United States.
