

# Water Planning Committee

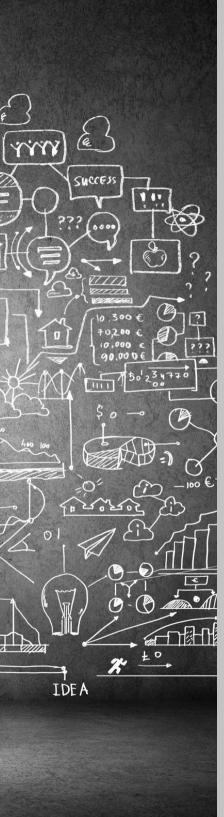

**Goals:** Provide a forum of the exchange of ideas and concepts related to state and regional water planning.

#### **JOIN THE COMMITTEE!**

Email: beth@icwp.org

For meeting minutes, resources and links to recordings, access the **Members-Only Portal** via our website: <u>www.icwp.org</u>

## 2023

#### **ACCOMPLISHMENTS**

- Joint webinar with ICWP L&P Committee to connect with FEMA HQ contacts re: climate resilience and hazard mitigation programs
- USACE Planning Assistance to States:
  Connected with USACE HQ contacts and discussed state stories/lessons learned
- Evaluated water conservation and groundwater recharge case studies
- EPA/USACE Waters of the US policy webinar
- Contributed Planning topics/speakers for Annual Meeting and Washington DC Roundtable

## 2024

### **WORK PLAN**

- Environmental Justice/assistance programs for economically disadvantaged community planning
- Planning Assistance to States -- evaluate new and ongoing opportunities for USACE to work with states
- Other planning funding and programs
- 2) Wildlife/aguatic resources & planning
- Host a webinar in conjunction with Association of Fish & Wildlife Agencies, NGOs, other organizations
- 3) Resiliency as time allows
- Examine the role of strategic resilience in water planning
- Case studies on drought, flood planning as part of climate resilience
- 4) Cross-pollination with other ICWP committees
